

Office of the University Registrar

March 30, 2022

To: Deans and Administration
From: Keri Disch
University Registrar

Washington University's total **traditional student enrollment** for the **SP2022** semester is **14,931** per data captured at the 10th week of the semester. An additional **1,313** students are enrolled in evening and part-time programs, bringing the **total University enrollment** to **16,244**.

Undergraduate students: **7,110 undergraduates** are enrolled in traditional school divisions and **693** in evening and part-time programs.

Graduate students: **7,821 graduate and professional students** are enrolled in traditional school divisions and **620** in evening and part-time programs.

Total **degree-seeking enrollments** for Spring 2022: **14,461 full-time** and **1,312 part-time** students.

Gender and Ethnicity

As a university, we continue to enroll fairly equal numbers of women (8627, 53%) and men (7617, 47%). This is true across the undergraduate (4223 women, 3580 men) and graduate (4404 women, 4037 men) student populations.

Nearly 50% of WU students identify with a non-White ethnic or racial group or international population. The federal reporting categories now enable us to capture more detail on the race and ethnicity of our non-White, multiracial and international students. Among those students reporting racial and ethnic affiliations (noting that students are able to report an affiliation with more than one group), 8.59% are Hispanic or Latino, 1.16% are American Indian or Alaska Native, 38.02% are Asian, 10.24% are Black or African American, and 0.48% are Native Hawaiian or Pacific Islander; 43.67% of our students are White and not multi-racial (5.74% are unreported). International students represent 25.47% of our total enrollment.

Additional Information

Tables outlining Total Enrollment by School for the Spring 2022 semester and full academic year are printed on the following pages.

The table of Graduate Degree Programs outlines program enrollment within each school for the degrees certified by their faculty.

* The WU Interdisciplinary Programs are offered as a partnership among multiple schools.
DBBS - Division of Biology and Biomedical Sciences: Arts & Sciences and the School of Medicine
DCDS - Computational and Data Sciences: Arts & Sciences and McKelvey School of Engineering
IMSE - Materials Science and Engineering: Arts & Sciences and McKelvey School of Engineering

Additional enrollment figures are available upon request.
